

New Beginnings Pathway

Celebrate the Miracle of Life: Give a Lasting Gift with a Personalized Brick Paver

New Beginnings Pathway is located in the garden outside the Patient Care Tower and offers individuals or groups the opportunity to celebrate the miracle of life with a lasting gift to welcome newborns.

Each Spring, new bricks are placed in the *Pathway* and a dedication ceremony honoring the recipients, families, and friends is held in the Rotunda. Following the ceremony guests are invited to the *Pathway* to view the placement of bricks and enjoy the beauty of the garden.

For more information, please call The Auxiliary at (860) 714-9WAY (9929).
